Welspun Investment & Commercials Ltd (WICL) – A Business Overview

The Company is a trading cum investment company. WICL taps trading opportunities available in various sectors by leveraging the position of Welspun Group. The major part is trading of textile related commodities. The Company holds equity shares mainly in Welspun Group companies which are engaged in the business of SAW Pipes & Steel Plates, Infra and Steel.

The trading segment is dependent on the economic environment and the demand while the investment segment is dependent on the performance of the investee company - its profits, dividend and stock prices. The fluctuations in the stock market quotations also play a role in the Company's revenue.

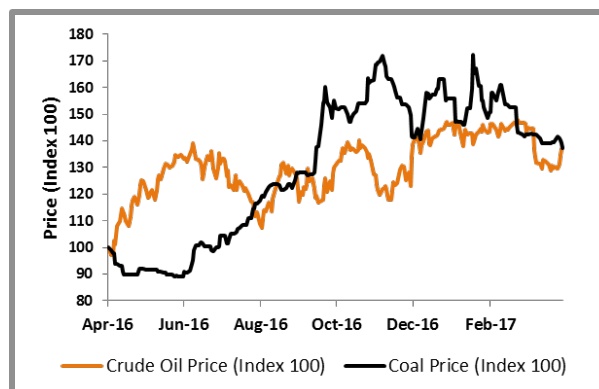

INDUSTRY STRUCTURE AND DEVELOPMENTS

Global Economic Overview

For the global economy, the year 2016-17 was a year of unstable growth, shifting policies and heightened uncertainty. Global growth in 2016 is estimated at 3.1% vis-à-vis 3.4% in 2015. Advanced economies struggled with subdued growth and low inflation in a context of increased uncertainty about policy direction, tepid investment, and sluggish productivity growth, in the first half of CY2016. However, the second half saw a stronger-than-expected pickup in growth in advanced economies, due to reduced drag from inventories and some recovery in manufacturing output. Economic activity rebounded strongly in the United States in the second half, with improvement in employment, investor & consumer sentiment and resources utilisation. However, output remained below potential in a number of other advanced economies, notably in the euro area.

FY17 saw a few outlier macroeconomic events like the Brexit vote and Presidential elections in US. The ultimate impact of Brexit remained very unclear, as the fate of institutional and trade provisions between the United Kingdom and European Union is uncertain. The macro-economic sentiment towards emerging market economies improved with expectations of lower interest rates in advanced economies, reduced concern about China's near-term prospects following policy support to growth, and firming up of commodity prices. However, prospects differ sharply across countries and regions, with emerging Asia in general and India in particular showing robust growth and sub-Saharan Africa experiencing a sharp slowdown.

Commodity prices staged a recovery during the year, from their lows in 2016. Oil prices increased about 38% in FY17, majorly in the second half of 2016, reflecting an agreement among major producers to trim supply (see figure xx). The coal prices too went up by almost the same margin - about 37% in the same period.

India's economy continues to be one of the most attractive economies of the world for businesses and investors. India, one of the fastest growing major economies globally, has recently emerged as the world's sixth largest manufacturing country as well.

The economy is on a robust growth trajectory and continues to achieve stable annual growth rate, rising forex reserve and booming capital markets. The economy expanded by 7.1% in FY17, despite the demonetisation drive announced by the Government on Nov 8th, 2016. With proactive re-monetization by the RBI and unprecedented focus on digital transactions by the Government and banks, the impact gradually tapered off by the end of FY 2017.

India's economy is set to grow at 7.4-7.7% in 2017-18. The implementation of GST will be a landmark development in 2017-18. GST will create a common Indian market, improve tax compliance and governance, and boost investment and growth; it is also a bold new experiment in the governance of India's cooperative federalism.

OPPORTUNITIES AND THREATS

Any favourable changes in the above discussed factors can significantly increase the trading activity in the country which will give Welspun an opportunity to increase its operations.

The Company depends on the dividends and capital appreciation from the equities it is invested into. Thus, any failure by any invested company to earn profits to distribute dividends or provide capital appreciation can impact the revenue stream of Welspun.

With the active policies by the settled government, there is a hope that the country will grow (because of Make in India, Digital India, Start-up India) and inturn the growth will be reflected in the stock prices of investee companies.

OUTLOOK

The future outlook of Indian commodity & financial markets looks positive. It can be affected by unfavourable global cues but with strong policies from the Indian government, like Make in India, Digital India, Startup India, changes in FDI norms, there is positivity in the Indian business environment. Controlled inflation and increasing GDP growth are favourable signals for the Company.

The Company's focus will be on its regular trading activities and making long term strategic investments in various existing/new ventures, besides consolidating the existing investments.

RISKS AND CONCERNS

Risk is integral to any business and WICL is no exception. Following are the external risks to which the Company is exposed to:

- Dividend fluctuation: Significant part of revenue of the Company is the dividend received from the investee companies. The amount of dividend to be given by the investee company to the shareholders depends on the profitability, future strategy and the goals of the investee company. Thus, any of these factors can change and can affect the revenue stream of Welspun.
- Economic environment: Revenue of the Company depends on commodities trading and equity share investments. Thus, any unfavourable changes in the economic environment can affect the revenue stream.

Apart from these, other risks to which Company is exposed to includes liquidity risk, rising inflation, transaction risk, change in regulatory framework.

HUMAN RESOURCE

The Company's current activities do not require engagement of significant human resource. However, requisite qualified and experienced personnel have been engaged to take care of organization need of human resource. With the sign of growth, if and when seen, the Company will engage requisite human resource..

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The adequacy of the internal control system is reviewed by the Audit Committee of the Board of Directors. The emphasis on internal controls prevails across functions and processes, covering entire gamut of various activities. Your Company has taken proper and sufficient care for the maintenance of adequate accounting records as required by various Statutes. Internal Auditors, the Audit Committee and Statutory Auditors have full and free access to all the information and records as considered necessary to carry out their responsibilities.

**INDEPENDENT AUDITORS' REPORT****To the Members of Welspun Investments and Commercials Limited****Report on the Financial Statements**

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements to give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act and the Rules made there under including the accounting and auditing standards and matters which are required to be included in the audit report.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT**(Referred to in paragraph 2(f) under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date)****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of Welspun Investments and Commercials Limited ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material

misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTE TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2017****1. GENERAL INFORMATION**

Welspun Investments and Commercials Limited ("the Company") was incorporated on 07 October 2008 under the Companies Act, 1956 (the 'Act') and has its registered office at Welspun City, Village: Versamedi, Taluka: Anjar, Dist. – Kutch, Gujarat 370110. The Company is engaged in business of Investment and dealing in shares and securities and trading of textile products and commodities.

2. SIGNIFICANT ACCOUNTING POLICIES**(a) Accounting convention:**

The financial statements are prepared on the basis of historical cost convention, and on the accounting principle of a going concern.

The Company follows mercantile system of accounting and recognizes income and expenditure on accrual basis except those with significant uncertainties.

The financial statements have been prepared in compliance with all material aspects of the Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014.

(b) Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affects the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of revenue and expenses for the year. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates are recognized in the period in which such revision are made.

(c) Investments:

i. Long term investments are valued at cost less provision, if any for diminution in value, which is other than temporary.

ii. Current investments are carried at the lower of the cost and fair value.

(d) Revenue recognition:

i. Revenue in respect of sale of goods is recognized when significant risks and rewards in respect of ownership of the products are transferred to the customer.

ii. Dividend income is accounted for when the right to receive dividend is established.

iii. Interest income is accounted for on time basis and when the realisation of amount is certain.

(e) Accounting for taxes on income:

i. Provision for income tax is made on the basis of the estimated taxable income for the accounting year in accordance with the Income-tax Act, 1961.

ii. The deferred tax for timing differences between the book and tax profits for the year are accounted based on tax rates in force and tax laws that have been enacted or substantively enacted as of the balance sheet date. Deferred tax assets arising from timing differences, are recognized to the extent there is reasonable or virtual certainty as may be applicable that these would be realized in future and are reviewed for the appropriateness of their respective carrying values at each balance sheet date.

(f) Provisions and contingent liabilities:

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation but the likelihood of outflow of resources is remote, no provision or disclosure is made.

(g) Transaction in foreign currencies:

Foreign currency transactions are recorded at the exchange rates prevailing on the date of such transactions. Monetary assets and liabilities as at the balance sheet date are translated at the rates of exchange prevailing at the date of the balance sheet. Gains and losses arising on account of differences in foreign exchange rates on settlement/ translation of monetary assets and liabilities are recognized in the statement of profit and loss. Non-monetary foreign currency items are carried at cost.

(h) Impairment of assets:

The Company assesses, at each balance sheet date, whether there is any indication that an asset may be impaired. If any such indication exists, the management estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciated historical cost.

(i) Earnings per share:

The basic earnings per share (EPS) is computed by dividing the net profit/(loss) after tax for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit/(loss) after tax for the year available for equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.
